Dennis is avid outdoorsman and fisherman and loves to travel with Theresa to exotic locations and enjoy new adventures while doing so. After a 34 year career in the grocery business, he became a REALTOR®, teaming up with Theresa as an accredited buyer's rep. "We make a great team. And, I am amazed at my lovely wife and great companion, who is the

quintessential REALTOR®. She did climb Half Come, twice! Me? No way! I have a difficult time getting on the third rung of a ladder."
