Theresa is an active Broker Associate in her office, located in Bass Lake, California a 30 minute drive to the southern entrance to Yosemite National Park. In her spare time (when not involved with her family and grand kids, she and husband love to travel. Cruising is their favorite type of vacation. They recently cruised to Aruba, Grand Cayman, Bonaire, and Curacao. Both love the outdoors and living in a recreation area affords them the

opportunity for boating, swimming, hiking and so much more. Living so close to Yosemite gave Theresa the opportunity to climb Half Dome twice and, and this is a direct quote: "What a thrill that was!"
