Chelsea has teamed up with Gail Hartnett to handle commercial and property management opportunities for Boise and surrounding areas. She has been a REALTOR® for over 13 years and enjoys a wonderful working relationship with Gail. As an Idaho native she is invested in the sustainability of the state and is currently living in SE Boise with her husband, Nick 2 daughters, Porter (3) and Sorrel (2), their dog Bella and 4 chickens (Chopstick, Kevin,

Charlie and Speck). She would say that her only hobby is travel however she does partake in yoga, great food and wine as well as anything that furthers the “green” movement and is environmentally/sustainably sound.
