As a second-generation Oregonian, born and raised in Eugene, I began my career as a professional in real estate in 1987. As a Realtor, the industry allows me the opportunity to share my skills and extensive knowledge of the Eugene and surrounding areas in this important service industry. For nearly 36 years, I have been able to assist people from all walks of life, ensuring that they feel supported as they entrust me with their real estate transactions. The relationships that I have developed from these partnerships are

lasting and priceless; many of whom I have had the privilege of working with multiple times.

My commitment to the integrity of the real estate industry led me to become involved at the State and National levels; I served as the President of the Oregon Association of Realtors in 2006 and was selected as The Oregon Realtor of the Year in 2008. I have worked hard to keep our industry strong and vital by protecting the rights of home ownership.
