**Buena Vista - A Magnificent Development Opportunity****AREA'S MEXICAN**

COORDINATOR: *While AREA has many relationships in Mexico, it has found that coordinating through Jay West, a highly respected member of AMPI, the Mexican equivalent to the NAR, things work a lot smoother. Members with referrals to Mexico are strongly urged to use Jay as their go-between. When he is directly involved, he acts as any standard agent. In his capacity as coordinator, he directs and orchestrates. Members referring in this matter receive their standard referral fee.*

Jay West, CIPS e-PRO RSPS TRC, has been living and working in Los Cabos Mexico for 20 years. He also offers Northwest residential and investment properties to international buyers from Mexico and elsewhere through his established networks. In addition to his **Windermere** general brokerage, **Jay** specializes in the confidential sourcing and acquisition of development properties, and has represented several of Los Cabos' most successful developers in the marketing and sales of premier condominium and residential properties. **Jay** is a graduate of the University of Oregon with a degree in Psychology.
