Dreams' End - this is Myrtle Beach

Vicky has been a real estate professional for over fifteen years. She made the permanent move to Myrtle Beach in 2010. "Being in Myrtle Beach, I feel like I'm living my dream vacation every single day. There is so much to do and see and the food, my goodness, the best of all worlds; Traditional Southern with added element of the freshest Seafood." Vicky earned her bachelor's degree in teaching from the University of North Carolina-Chapel Hill. She honed her skills as school teacher, and later established her business sense and marketing savvy as a small business owner. **Vicky** understands that success is

the product of a strong work ethic and that learning never ceases. She continues to enjoy photography on many levels. In addition to having obtained the *Resort and Second Home Property Specialist Certification* (members of AREA, including Jay West (Seattle-Los Cabos), George Harvey, Jr. (Telluride), and Ken Libby (Stowe) started that program), she is *chair of the technology committee of the South Carolina Association of REALTORS®* and a *member of the professional development committee with Coastal Carolinas Association of REALTORS®*.
