It's All a Magic Kingdom

Don Is a graduate of Miami of Ohio receiving a degree in Business and graduate school at Notre Dame where he studied Economics. **Don** served as an officer in the Special Forces of the U.S. Army and celebrated his 70th birthday with a parachute jump, landing in an alligator infested swamp, which he was able to navigate safely to shore with only minor scratches. In a forty year career in real estate, he has been successfully involved in all facets: marketing, development, sales and management. And currently he is **President and CEO of The Far Points Group**, a full

service Residential, Property Management and Commercial Brokerage Company in Coastal East Central Florida where he specializing in land sales to builders and developers as well as in off-market properties. **Don** holds many designations but the one he cherishes most is being the husband to Katy, his life partner.
