Rugged Life in the Desert

Judy Weiss Zeigler, CRB, CRS, GRI, SRES 1994 REALTOR® of the Year. #1 Sales Team for over ten consecutive years. **Judy** is a very active member of her local Association of REALTORS® as well as the California Association and the National Association of REALTORS®. **Judy** and her husband have lived in Palm Desert for over 30 years coming originally from New York State. She is a graduate of Columbia University where she majored in political science. An avid skier and sky diver, she recently jumped from a modified weather balloon at an

altitude of 100,000 feet (way the heck up there) and then floated back to only find the winds had taken her to central Arkansas. She caught Amtrak and enjoyed the ride home. She is teamed with Mardell Pizzoferrato and they cover the entire gamut of real estate in the beautiful Coachella Valley.
