## Tee Time in Utah

**Meri**, who is married to her wonderful assistant and director of marketing, Russ, wishes she had been a professional golfer. But, alas, that was not to be as Russ never wanted to be a full time caddie. But then she found real estate and, then they discovered Utah. Residing within 20 minutes of majestic Zion National Park, the Crandall's live in the most scenic and desirable area of that glorious state, where the sun shines 300 days a year and golf can be an everyday event.

**Meri**, was the *top producing agent in the State of Utah (2013)* for her former brokerage house, has been a full time professional Realtor for 31 years. She was *Utah Women's Council of Realtors*

*President 2013*. And, she is *President Elect for the Washington County Board of Realtors 2014* and will be serving as *Board President 2015*. She is a graduate of the Utah Association of Realtors and Dixie Leadership Programs. **Meri** served as a *Director on the Local Board of Realtors* and as a *Director of Habitat for Humanity*, chaired the *Education committee* and the *tour committee for the local Board of Realtors*. She is active *CRS and ABR member*. Attention AREA Members! Are you looking for the perfect golf vacation? Give **Meri** a call, she and Russ would love to host you! AREA is extremely proud to have **Meri** and Russ as members.
